

BEST DENTIST

For the 7th consecutive year, Dr. Bert Vasut has been selected "Best Dentist" by Cedar Park and the surrounding communities. Dr. Vasut and his staff are a refreshing throw-back of sorts to a time when you and your children had names, not numbers; you could trust that treatment recommendations were necessary, not a sales pitch; and most importantly, you could be assured that your children would be cared for as if they were their own. Dr. Vasut and his staff take tremendous pride in a practice built upon referrals, not gimmicky marketing and fancy ads. If you and your family are in search of a truly family-oriented pediatric dental practice for your children, Cedar Park Pediatric Dentistry and Dr. Bert Vasut would be my first call.
